### RACE KIT

#### RACE KIT COLLECTION

Saturday OR Sunday. Refer to event timetable.

#### WHAT'S IN YOUR RACE KIT?

- Security Wristband - Attach to either wrist.
- Parents Wristband - Make sure Mum or Dad have their wristband on too. That way they can go in to the bike compound with you before the race.
- Helmet Sticker - Attach to RIGHT-HAND SIDE of helmet.
- Bike Security Sticker - Attach the sticker to the handlebars/head stem of your bike.
- Swim Cap - Your swim cap will signify your wave start.

#### NUMBER WRITING

Race Number from E-Ticket to be written on the outside of your right arm. The category letter (found on info board) goes on the back of your right calf (this is so you can tell who is in the same category as you out on course).

#### There will NOT be the ability to do this at the event site.

Please note that you WILL be able to start if you have forgotten but we encourage you to perform this at home.

### GETTING READY TO RACE

#### BIKE COMPOUND ENTRY

Proceed to the bike compound entry. Helmet must also be on and secured. You will need to collect your Race Kit and apply all required stickers and wristbands to enter the bike compound.

#### BIKE RACK SETUP

There will be a bike rack space clearly marked with your race number and your name on it. If your name does not appear on the sticker or if you cannot find your race number on a rack; please see a transition marshal for assistance. Saturday Late Entries will find their bike rack on the end row, marked "Late Entries" (or blank).

Remember to arrange gear on the rightside of the bike.

#### BAG COMPOUND

There will be a fenced off area managed by volunteers near the bike compound for any large bags. Your race number will be written on a tag which will be attached to your bag. We strongly recommend that no valuables are left in this area and you name all your belongings.

#### RACE BRIEFING

Attend the Pre-Race Briefing which will take place in the bike compound.
